

Sir,

I am pursuing my **B.Tech** (Bachelor of Technology) degree (2nd year, 4th Semester) in **COMPUTER SCIENCE AND ENGINEERING** from the premier institute **MOTILAL NEHRU NATIONAL INSTITUTE OF TECHNOLOGY, ALLAHABAD, INDIA.**

I would like to inquire for the position of summer training under your guidance at the Google Summer Of Code.

Just to introduce myself, I have strong theoretical and experimental skills in the field of **Object Oriented Programming, Digital Electronics, Discrete Mathematics and Data Structures** through my courses and laboratory work. I have done some project work during these courses. I am also well versed with programming languages like C and C++.

Apart from that, I have maintained a good academics record during my education .

In case there is any requirement of my qualification documents for supporting my application, please do let me know. I am looking forward to hear from you.

 Please find attached my resume for your kind perusal. Please keep me posted your update about it.

Yours Sincerely,
Agnibha Kumar Nath
